INFORMATION

About Feelztoys

- ♥ All our FeelzToys are made of 100% silicone of the very best grade.
- ♥ A part of our philosophy is to put good things in the world. This means that we only sell innovative, environmentally friendly, extremely high quality and neutral packed products. We want everybody to be happy with our products.
- ♥ FeelzToys does not carry jellies, cyber skins, or other potentially toxic materials that are dangerous to the human body and to the environment. FeelzToys are completely phthalates free that is tested by one of the biggest independent testing laboratory in the world.

Silicone Facts

- ♥ Silicone is the ideal material for adult toys. The FeelzToys' silicone raw material is made in Japan and has the best grade in the world.
- ♥ The potential health problem of phthalates is not the only important reasons why FeelzToys is using high grade silicone. There are many other advantages for this material:
 - ♥ very good transmission of vibrations
 - ♥ quickly warms to the body temperature and retains heat
 - ♥ easy to clean, non-porous and hygienic
 - ♥ soft but extremely durable
 - ♥ hypoallergenic

Product Care

- ♥ Toys made of 100% silicone are extremely easy to clean. With a minimum care, FeelzToys products can last a life time. Do not forget to:
 - ♥ clean the massager and especially the silicone heads after every use.
 - ♥ clean it with a soft cloth, antibacterial soap, and warm water.
 - ♥ rinse it well with clear water to remove any residues.
 - ♥ let the massager dry completely.
- ⚠ **Do not use a brush or abrasive solutions such as benzene, thinners, or others.**
- ⚠ **Do not use silicone-based lubricants.**
